Lodging, Messing, and Transportation Details

1. LODGING:

Officers are required to secure lodging at Liversedge Hall. If none is available it is the Marine's responsibility to obtain a certificate of non-availability (CNA). Please provide a copy of your CNA to MCCMOS upon checking in if applicable. During week four you are required to check out of your lodging on Monday since you will be in a "field" status. Billeting in the field is in Quonset huts with racks and mattresses. Students must arrange their own billeting by contacting the following in order:

a. Liversedge Hall (Quantico BOQ), 703-784-3149. If billeting is unavailable a non-availability number/CNA must be obtained from Liversedge Hall and will be required when the student submits their DTS request/travel claim.

b. On/Off base commercial lodging. This can be completed in DTS and a non-availability number will be required as a substantiating record to justify commercial lodging. Please note, Crossroads Inn (Quantico Commercial Lodging), 703-630-4444 or 1-800-965-9511

2. MESSING:

Government messing is available at the Dining Facilities. Note, only on base per diem will be paid to students in Liversedge hall. Those students off base with a CNA will receive local per diem.

3. TRANSPORTATION:

Per MARADMIN 178/10, it is the responsibility of the parent command to fund/provide their student with daily transportation between billeting and the schoolhouse. Note, officer and enlisted students may not have the same billeting, if you are traveling with an enlisted Marine from your unit you will need two vehicles. **The enlisted and officer courses are two different courses** that do not mirror each other and have different administrative movements that require vehicles. Ensure you know all Marines from your unit and their travel arrangements to coordinate transportation from the airport to lodging facilities.
